

## Water Rescue Two Technician Instructor Skills Reassessment Course

Code: YWR2I3R

### Who should attend

Emergency Service personnel who require reassessment in Outreach Water Rescue Two Technician **and** Instructor skills.

### Course/Programme Requirements

- Students must have successfully completed the Outreach Water Rescue Two Technician Instructor Skills Course (or Reassessment course) within the previous 2 years with verified maintenance of those skills.
- Compliance with Outreach Training Progression Policy.
- Be fit for full operational duties in accordance with FRS requirements for this role.
- Have received formal training in Health and Safety at Work, including manual handling.

The module will involve students undertaking potentially strenuous training in and out of water.

Personal equipment should include appropriate all weather outdoor clothing, footwear and gloves. All specialist equipment required is provided. Service uniform is not required.

### Contact Outreach Rescue for further information including detailed course content, assessment process and progression notes.

All course nominations must be followed by a declaration of conformity with the above from their organisation.

### Aim

To reassess students in the required core skills of the Outreach Water Rescue Two Technician **and** Instructor programme.

### Outcomes

After successful completion of the course the student will have a firm foundation of knowledge and skills and should be able to:

- Demonstrate the ability to plan, deliver, assess and review training events across a range of environments and topics within the Outreach Water Rescue Two Technician syllabus.
- Undertake risk assessments for delivering the above in a range of teaching environments.
- Apply basic knowledge of rescue PPE equipment as to its use, care and maintenance.

- Demonstrate the core skills of the Outreach Water Rescue Two Technician programme.
- Understand skills maintenance and development issues.

### Delivery Method

By discussion, practical exercises and scenarios.

### Assessment/Certification/Accreditation

Core course content is assessed by a combination of continuous, scenario based, a presentation and written assessment to inform the student's development indicators. Results centrally recorded and entered in a personal Water Rescue Record of Performance.

Students will receive joint Fire Service College and Outreach Rescue Certification upon successful completion of the course. It is strongly recommended that a reassessment course is attended within 2 years of completion of this course and that adequate skills maintenance training will have been undertaken in the interim period.

### Venue

Outreach, Llanllechid, Bangor, Gwynedd, LL57 3HY.

### Duration:

Five days residential.

*Programme Times:* Days One-Four 0900–1730

Day Five 0900–1600
